## Learn Microsoft Excel

Date and Time: Thursday, January 27 06:00 p.m. - 7:00 p.m.

Address: ZoomZoom

Spreadsheets are useful not only in the office, but also in our everyday life. They can help you stay organized, and keep tabs on your time, expenses, to-dos, and more. In this beginners' workshop, we will learn how to use Microsoft Excel, one of the most popular spreadsheet programs.

This is a beginners' Excel course. Basic computer skills required. We will be using the [free online version of Microsoft Excel](#) for this workshop. You can also use the desktop version if you have it on your computer.

### To register:

- This is a two-week program (two Thursdays). Please ensure you can attend both sessions.
- You only have to register once for both weeks.

### Workshop online:

In the first week, we will cover the basics. You will learn how to:

- Create and save a spreadsheet
- Enter data
- Work with rows and columns
- Format your spreadsheet and make data easier to read
- Sort and filter your data
- Create charts and tables

In the second week, you will learn how to:

- Perform simple calculations on your data
- Use functions and formulae
- Use conditional formatting

### How to join the online program:

This workshop will be held on Zoom. Once you have registered for the program, we will email you the Zoom meeting link.

At the start time of the program:

- If you are using a computer or laptop:
  - Click on the Zoom link and it will open up in your browser.
  - Click yes when prompted to open or download Zoom.
- If you are using a phone or tablet:
  - Download the Zoom app from the Apple App Store or Google Play ahead of time.
  - Click on the Zoom link on your device. It may open up the Zoom app automatically, or it may ask you how you want to open the link.
- You should not need to sign up for a Zoom account to participate. Let us know if you need any tech help to use Zoom.
