Clear your chaos with Randeep St. Jacques, certified KonMari Consultant. Learn the techniques to conquer your clutter and make your home spark joy!

About Randeep St. Jacques, Founder & President, ClutterLess Living

Randeep St. Jacques is a Certified KonMari Consultant and the founder and President of ClutterLess Living. Being an avid reader led her to Marie Kondo's [The Life-Changing Magic of Tidying Up: The Japanese Art of Decluttering and Organizing](#). She found joy in implementing the KonMari methodology in her home, and this led to ClutterLess Living. Randeep has two children, an 8 year old girl and 5 year old boy, which helped her create skills to support clients with families that need support and structure to help with the day-to-day life.

The organizing process was invigorating and allowed her to make personal life decisions with fewer obstacles in the way. For example, it became clear enough to see that her path forward included starting a business. Her home is surrounded with objects that have purpose or elicit happiness, all assigned a designated spot to make tidying up easy.

Before she started ClutterLess Living, she worked for over 15 years in the marketing field for a wide range of industries. She has found that there's a lot of overlap in home organization and organizing information and planning strategic initiatives for corporations. Of course, supporting clients in their quest to bring order to their homes is a bit more fun!
