Here is a list of authors participating in this month's reading:

KT Wagner

Surrounded by gnomes, gargoyles, and poisonous plants, KT Wagner writes Gothic horror and op/ed pieces in the garden of her Maple Ridge home. She enjoys daydreaming and is a collector of strange plants, weird trivia and obscure tomes. In her spare time, she organizes writer events and works to create literary community. KT graduated from Simon Fraser University's Writers Studio in 2015 (Southbank 2013). A number of her short stories are published in magazines and anthologies. She is currently working on a Sci-fi/horror novel. KT can be found online at www.northernlightsgothic.com and @KT_Wagner.

Lozano Gilabert

Lozano Gilabert studied and worked as a psychotherapist for nearly twelve years before becoming a writer. Lozano Gilabert spent many Friday evenings at one of Mexico's main psychiatric hospitals interviewing patients. Some say his stories are based on what was learned through those interviews.

Lozano Gilabert's family haunt Port Moody, along with a hellhound named BonBon.

Lozano Gilabert is the author of more than fifty stories and screenplays. Learn more at <https://clozanogilabert.com> or follow him on social media.

Margo Prentice

Margo Prentice belonged to a writing group called Waves, in New Westminster. She now lives in Coquitlam. She is a writer of short stories and has been published in Canadian Magazine, Vancouver Sun, and Royal City Literary Arts on-line magazine. Her poems have been published in different anthologies locally and in Ontario. She has written four plays. As a stand-up comic she writes all her own material. She is in the process of editing and organizing her material for publication.

Trevor Atkins

Trevor lives with his family in Coquitlam and has been working with words for much of his life, but has only recently pursued historical fiction for younger readers. A storyteller and role player of detailed characters, Trevor finds it natural to weave together many intertwining threads when writing. His bane is the perfecting effort of revision – there is always more that can be tweaked and improved. But then comes the day when enough is enough and the story must be set free for others to see! Find Trevor's author news and updates at [his Facebook Page](#) and details about his historical fiction, *The Day the Pirates Went Mad* at <https://emmasharpesadventures.com>.
