Electric vehicles are growing in popularity and new models are being announced every week, but there are still a lot of unanswered questions. In this presentation from Metro Vancouver you'll get the answers to questions such as what is a BEV? Or can I take an electric car on a road trip? You'll also learn about the different types of electric vehicles, how to keep them charged up, and the benefits of living electric! EV 101 also includes a presentation from the City of Port Moody on local electric initiatives.

### Please note:

- This is an in-person, registered program.
- This program will be held in the Children's Area inside the Library. As per the latest public health order (PHO), masks will be required in an indoor setting for all people born in 2016 or earlier (with exemptions as outline in the PHO). These guidelines are subject to change as new public health orders are given.
- Due to the size of our programming area, we will be limiting registration to provide more space for participants.
- We will be unable to accept drop-ins to this program. Please contact the Information Desk at [askthelibrary@portmoody.ca](mailto:askthelibrary@portmoody.ca) if you have any questions.
- All in-person programs subject to change or cancellation subject to Provincial Health Orders. We will contact all registrants in the case of any changes.
